

## eBook Method

This Method involves giving away free eBook's from different niches, it can be a guide or smth other or it can be blank just with a presentable title.

I suggest creating something nice that you have learnt over the time you have spent making online cash

People will not know what's inside it until they complete the survey and get to download it.

- 1) Make a wordpress website.
- 2) Create an account with twitter or use your existing.
- 3) Write some articles about marketing or something related to your niche.
- 4) Create a new post in which you give away a free ebook "How to become rich in one night" etc something like that.
- 5) Insert your Link in the post. To do so, you need to switch to html tab and just insert the gateway code in the top
- 6) Now share that post on twitter or other places like facebook, youtube, large forums like Nexopia or Earn Moeny Space
- 7) You can even advertise on ptc and gpt for traffic or try some traffic exchanges
- 8) Update your blog daily and follow routine with gaining heavy traffic.
- 9) Try more and more methods like SEO and Spending bulk amounts on very highly accredited traffic sources.
- 10) You should have earned a hundred bucks after this method is involved and it takes maybe 3 hours!
